

Key Investor Information

This document provides you with key investor information about this fund. It is not marketing material. The information is required by law to help you understand the nature and the risks of investing in this fund. You are advised to read it so you can make an informed decision about whether to invest.

Davy ESG Multi-Asset Fund

Class A € Accumulating shares of Davy ESG Multi-Asset Fund ("the Fund") a sub fund of the Davy Funds Plc (the "Company"). (ISIN IE00BJ9K2N00)

Objectives and Investment Policy

Investment Objective:

To provide investors with long-term capital growth by investing, on a global basis, primarily in equities and fixed income securities that meet the pre-defined social, environmental and ethical criteria as described in the Investment Policy.

Investment Policy:

The Investment Manager will seek to invest in companies that will make a positive contribution to society and/or act to safeguard the environment and/or that promote Fair Trade. The Fund will seek to avoid companies that fail to meet pre-defined social, environmental and ethical criteria, (i.e. companies that primarily involved in the following activities: armaments, gambling, tobacco, the manufacturing of abortifacients and contraceptives and where possible, pornography, and companies which contribute to unethical acts or omissions, such as companies with a record of violating fundamental humanitarian principles or violations of human rights, conduct animal testing for cosmetic or toiletry purposes or make use of child labour).

The Fund will seek to reduce risk through geographic and sector diversification.

Risk and Reward Profile

- Historical data may not be a reliable indication for the future.
- The Risk and Reward profile is not guaranteed and may change over time.
- The lowest category does not mean 'risk free'.
- The Fund is in category 4 (denoting medium risk, but with the potential for better reward) due to the implementation of its investment policy and process. This rating is not a measure of the risk of capital loss but a measure of the Fund's price movement over time.

Other Information:

- The Fund may use FDIs for efficient portfolio management and currency hedging purposes. Such techniques and instruments include options and forwards.
- You can buy exchange and sell shares in the Fund on a daily basis on any business day in Dublin.
- The Fund may not be appropriate for investors who plan to withdraw their money in 2-3 years.

For full investment objectives and policy details please refer to the prospectus and the Fund's supplement which are available on www.davy.ie.

The indicator opposite does not take account of the following risks of investing in the Fund:

- Investing overseas can bring additional returns and spread risk to different markets. There are risks, however, that changes in currency rates may reduce the value of your investment.
- General Investment and Market Risks of the CIS: The Fund's activities may be significantly and adversely affected by general economic and market conditions, such as interest rates, availability of credit, inflation rates, economic uncertainty, changes in laws, and national and international political circumstances. These factors may affect the level and volatility of the CIS and the liquidity of the Fund's investments. Unexpected volatility or illiquidity could impair the Fund's returns or result in losses.
- Currency Risk: There is a risk of loss arising from exchange rate fluctuations or exchange control regulations.
- Use of derivatives for currency hedging purposes involves risks different from, or possibly greater than, the risks associated with investing directly in securities and other investment.

For a complete description of such risk factors, please see the section entitled "Risk Factors" in the Company's prospectus which is available on www.davy.ie.

Charges

The charges you pay are used to pay the costs of running the Fund, including the costs of marketing and distributing it. These charges reduce the potential growth of your investment.

One-off charges taken before or after you invest	
Entry charge	5%
Exit charge	3%
These are the maximum charges that we might take out of your money before it is invested and before we pay out the sale proceeds of your investment. In some cases, you might pay less and you should speak to your financial adviser about this.	
Charges taken from the Fund over a year	
Ongoing charges	0.88%
Charges taken from the Fund under certain specific conditions	
Performance fee	None

The Directors may impose an anti-dilution levy in the case of net subscriptions and/or net repurchases on a transaction basis as a percentage adjustment on the value of the relevant subscriptions or repurchases to reflect the impact of other dealing costs and to preserve the value of the underlying assets.

A maximum exchange charge of 2% may apply.

The ongoing charges figure shown here is based on the expense for the year ending December 31 2018. The ongoing charges figure may vary from year to year and excludes the costs of buying or selling assets for the Fund (unless these assets are shares of another fund).

The ongoing charges figure may vary from year to year and excludes the costs of buying or selling assets for the Fund (unless these assets are shares of another fund).

For more information about charges, please refer to prospectus and the Fund's supplement which are available on www.davy.ie.

Past Performance

There is currently insufficient data to provide any useful indication of past performance for the share class, as the Fund was launched in October 2017 and the share class is not yet launched. Therefore, there is not yet performance data for one complete year accordingly there is insufficient data to provide a useful indication of past performance to investors.
